

## **REOPENING GUIDELINES FOR THE SAFETY OF EMPLOYEES AND GUESTS**

- PLEASE DO NOT BRING ANYONE WITH YOU TO YOUR SERVICE, INCLUDING CHILDREN. If multiple members of your party are being serviced, they are to wait in the car until they are ready to be seen. Only one client per staff member is permitted at this time.
- *Please wait outside or in your car until we are able to service you. The waiting area is closed at this time. Your stylist will either call your cell phone or meet you at the door when they are ready to service you.*
- *We are only taking appointments. No walk-ins or last minute add-ons to your appointment. When rebooking your appointment, do so online or with your stylist via phone. This is to minimize the amount of people in the salon.*
- *Please limit the amount of personal belongings you bring into the building. No food or drink allowed. We are unable to serve refreshments at this time.*
- *Do not enter the building if: (1) you have a cough, fever, body aches, shortness of breath, sore throat, and/or flu-like symptoms; (2) you have been around anyone exhibiting these symptoms within the last 14 days (3) you are living with anyone who is sick or quarantined; or (4) if you or anyone you live with has traveled more than 200 miles outside of Southeastern Connecticut in the past 2 weeks. We will be checking each client's temperature upon entrance.*
- *Please wear a mask while inside the salon. If you do not have one, we sell them for \$2 per mask. Anyone refusing to wear a mask will be denied service.*
- *We will all try to remain 6 feet apart. This includes staff and clients unless you are being serviced.*
- *Use the provided hand sanitizer (or your own) or wash your hands before being serviced.*
- *Unfortunately, per state mandate, there is no blow drying permitted at this time. We are sorry for any inconvenience this causes.*
- *No waxing under the face mask at this time.*
- *Please use our contactless pay or bring exact cash. No change will be made at this time. Your service provider will explain your options.*
- *There will be a small increase in prices to cover these changes and a well-deserved hazard pay to the staff. If you have any questions or concerns, do not hesitate to ask your service provider and we will do our best to ease your mind and answer them. This is a difficult time, so any suggestions are appreciated. We should all strive to be compassionate, caring, and patient towards one another. Thank you for all of your support during this pandemic. We appreciate all of your cooperation.*

*Love, WaterColor Staff*
